Re: Notification of DSHEA nutritional support claim for AmeriFIT Liposome Zinc Dietary Supplement

Dear Sir or Madam:

The purpose of this letter is to provide notification pursuant to section 403 (r)(6) of the Federal Food, Drug, and Cosmetic Act ("the Act") and 7 C.F.R. § 101.93 that AmeriFIT, Inc., is marketing a dietary supplement that bears a statement of nutritional support as defined in section 403 (r)(6) of the Act.

The labeling for Liposome Zinc bears the following statements:

"Echinacea . . . for immune support"

". . . soothe the seasons"

"Echinacea (and) the traditional feel good herb wild cherry bark"

AmeriFIT, Inc. has on file substantiation that the above statements are truthful and not misleading. To the best of my knowledge, the information contained in this notice is complete and accurate.

Sincerely,

Craig Larsen
Director of Product Development and Quality Assurance
